

Unfortunately, a steep rise in new daily coronavirus cases has resulted in a few members of the St Peter's community testing positive to COVID-19. Also, in recent weeks, several parishioners have been told to self-isolate through the NHS Test and Trace App.

To be vigilant, and exercise our duty of care to all in our church community, the church leadership has decided to cancel our in-person services at St Peter's Church for Sunday 25th July.

Our 10am Parish Eucharist will be led by Revd Sally on Zoom, and here is the link to join our time of worship this Sunday:

We pray that all those who are currently unwell with COVID-19 symptoms will make a full and speedy recovery, and hope to resume face-to-face worship next week.

May God bless you, and all those you love.

Revd Mike.
