### **Collect for the 13th Sunday after Trinity**

Almighty God, who called your Church to bear witness that you were in Christ reconciling the world to yourself: help us to proclaim the good news of your love, that all who hear it may be drawn to you; through him who was lifted up on the cross, and reigns with you in the unity of the Holy Spirit, one God, now and for ever. Amen.

### **Please remember in your prayers this week:**

**Mission Prayer:** During August we pray for the Dorset Air Ambulance. The summer months are always very busy for the Dorset Air Ambulance as they assist in the care and transfer of those caught up in holiday incidents. Let us give thanks for the brave personnel who give of their time and expertise in this work.

**All those in need at this time, including** Alice, Nancy, Natalia, Olivia, Peter, Kath, Alison, Janice, Bidy, Lonnie, Susan.

**Those who have died:** Sue Owen, Carlo Pau.

**Anniversaries of death:** Dinah St John, Laurence Le Maréchal.

**The Residents and Staff of** Ashley Court, Alexandra House, Hillsdon Nursing Home and Regency Manor and also those at Homelake House.

Carlo Pau's funeral in St Peter's at 11.30am on Thursday 2nd September will be followed by burial and a reception at Harbour View Woodland Burial Ground. There will be vulnerable people at the funeral, so if possible please take a Coronavirus lateral flow test before attending. Please wear a mask as you come into church.

This year's Blessing of the Sea on Brownsea Island will be on Sunday 12th September. Details of travel arrangements/cost to follow next week.

## Harvest Thanksgiving Gifts

This year the gifts we bring to the Church will be given to **Poole Refuge** in our **Welcome Bags** and to **Poole Food Bank**.

People who have just arrived at the Refuge especially like dried pasta meals, long life milk, small jars of instant coffee, teabags, biscuits - and of course bars of chocolate!

It would be a great help if you could check that anything you give has some shelf life left.

*Thank You*

### **“Praying and Fasting for Climate Justice on the First Day of Each Month”**

The St Peter's "Climate Justice" prayer group will meet in church on Wednesday, 1<sup>st</sup> September, in a socially distanced circle in The Holy Name Chapel, to pray for those around God's world whose lives are being wrecked by bereavement, loss of homes and livelihood, all caused by the destructive effects of climate change: flooding, drought, uncontrollable fires, cyclones, tsunamis, and rising sea levels. There have been many examples recently.

We'll hold up to God those devastated by deaths caused on 20<sup>th</sup> July by the flooding of the underground railway in the city of Henan in China with the powerful surges of water that destroyed many houses and businesses, forcing thousands to be evacuated. Also the people of New Delhi in West India where torrential rain on 28<sup>th</sup> July caused landslides killing more than 180 people and destroying homes; and the people of Hiroshima in Japan where on 13<sup>th</sup> August 77 people were killed by torrential rain and mudslides, with one million people having to be evacuated.

Let's pray too for the people of Haiti where the earthquake on 14<sup>th</sup> August killed 2000 people and was made worse on 17<sup>th</sup> August by flooding from Tropical Storm Grace.

We'll remember those still affected by the unprecedented flooding on 14<sup>th</sup> July in Western Europe which killed over 100 people, with hundreds missing as many homes and communities were destroyed.

We'll pray for the people of Vancouver in Canada and California in the USA where extreme heat (49.6 centigrade) in July caused many deaths with uncontrollable fires destroying whole communities. Also, we'll pray for the people of the town of Bodrum in Turkey where wild fires killed 8 people on 2<sup>nd</sup> August; and the 2000 who had to be evacuated on 7/8<sup>th</sup> August from wild fires on the Greek island of Evia; and the communities in Algeria where on 12<sup>th</sup> August wind-blown wild fires killed 69 people.

We'll continue to pray for small-scale farmers in sub-Saharan Africa whose crops continue to be threatened by rising temperatures and drought, resulting in the possible loss of their livelihood, with no social services or food banks to help them.

Come and tell us about people you may have heard about in the news whose lives have been badly affected by severe weather conditions, so we can pray for them.

The Coronavirus pandemic continues to dominate the news around the world, so we may not hear about many who are suffering from the effects of flooding and drought, especially in Africa.

As always, we will hold up to God our national and international leaders who can make decisions to reduce the human causes of climate change, especially those planning at this critical time for the 26<sup>th</sup> United Nations "Conference of the Parties" (COP26) taking place in Glasgow in November. Taking part will be representatives of all the countries who, in 1994, signed the United Nations Framework Convention on Climate Change (UNFCCC).

Pray, too, that you will be guided to do all you can to care for God's wonderful gift of creation; and help to reduce the human causes of global warming.

Please, bring donations from your fasting and/or self-denial to support Christian Aid in their work to help people around the world suffering the severe effects of climate change.
